Beskrivning

Casa Velha Tinto by Adega de Favaios is a rich and elegant red wine made from traditional Portuguese grape varieties. The wine has a deep ruby color and aromas of ripe dark fruits, such as blackberry and black cherry, with a hint of spice. On the palate, it is full-bodied and complex, with smooth tannins and a long finish. This wine has great ageing potential and will continue to evolve in the bottle for years to come. It pairs well with hearty meat dishes and mature cheeses. Casa Velha Tinto is a true expression of the terroir of the Douro Valley, where it is produced with traditional methods and a deep respect for the land and the vines.
